Bespoke Kitchen Design

Manufactured with Miton and Binova kitchens in Italy, their kitchens have fully customisable cabinetry, materials and detailing such as handles and door profiles.

Unico have a team of experienced kitchen designers to support its customers throughout the design development process.

First we will review your house plans, followed by a site visit. We will then organise an initial consultation to discuss kitchen style and inspiration. Following that we will develop your concept producing 3D renders and a full detailed drawing set before placing the order in Italy.

We will deliver you a bespoke kitchen customised entirely for your home and lifestyle.

Edge Vanity in Bruno Oak Veneer with Solid Surface Top

New Zealand Made **Bathroom Vanities**

Unico is proud to stock New Zealand made, bespoke timber veneer vanities.

Each design has customisable dimensions and drawer configuration. Blum push to open soft close drawers are available and internal drawers can be installed within a drawer height of 310mm or higher.

All timber is sourced sustainably from New Zealand grown timber. For the countertops, there's the option of a matt white solid surface or a timber veneer top with a commercial grade topcoat and sealer.

Plato Vanity in Tisco Oak Veneer with Timber

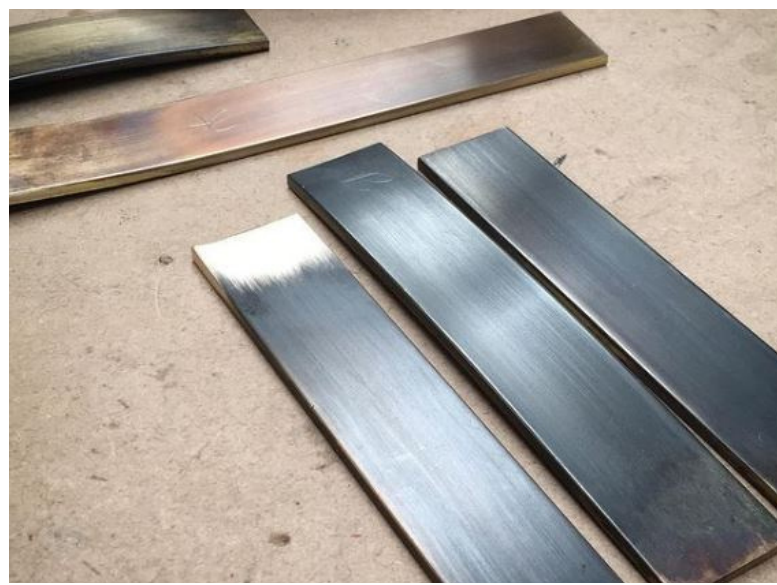

New Zealand Made **Mirrors**

Available in a variety of timeless shapes and sizes such as arch, oval, circle, and rectangle.

Framed in a range of finishes including brass, brushed stainless steel, matt black, gunmetal, and aged copper.

Materials: Silver-backed edge sealed mirror, glass, marine plywood backing, powder-coated steel or satin-brushed brass.

Concrete **Basins**

Contemporary coloured concrete basins handmade in New Zealand. Inspired by the vibrant colour palette of the Mediterranean the concrete basins embrace their natural textured appearance, making every basin unique.
